Lori,

LORI MOSS

This year I'm glad
I really got to know you.
Remember all our great
discussions in Spicola 3.
Also, our daredevil trips
to lunch with you-know-
who at the wheel. We
sure did laugh a lot this
year. I know we have
done so much this year
but I can't remember.
OH! Chem. class! With
bionic ears and our
great experiments with
Phil, Son, Freddy, Roz,
& grad. Next year, we
should be physics partners.
I wouldn't have made it
w/out you. I hope I'll
see you a lot this
summer. Love,
Dana.

Sorry!
I can't believe we were seniors. This year went pretty fast. Our class has been the best ever. You guys on student council have done a lot. Don't forget Study Hall and hour 1st hour English. We got to know Mrs. Wox. She really glad we got to know each other all can get together this year. I hope we all get together picnic and how loaded our Junior Class got. I don't believe Lisa got served. She couldn't remember when we finally got our nerve to jump off those rocks. I was scared but it was fun. I felt like such a drip afterwards. My hair was an absolute mess. Wee hee and don't forget corn festival. Wee hee in the car. You looked really pretty all that week. You were really all a riot to be with and you've been a great friend. I'm glad especially because I've had to tell all my problems to. I'm glad you listened. I because I've had to quite a few problems this year. It helped a lot to be able to get them off my mind. So suck next year and have a great time this summer. Hope I see you around your friend
always! "78"

TABLE OF CONTENTS

Lori, To one of the best 880ers I know. To someone who always said she did bad no matter how good her time was. Track season wouldn't have been any fun if you weren't there to give me or someone else something to laugh about. Thanks for all the confidence + encouragement you gave me. Next year - you'll be the one going to state, see ya BS.

CHIEF STAFF DEDICATES THE 1977 YEARBOOK TO MRS. HUME!

Mrs. Hume has gained much respect and honor through her many years of dedicated service to M.C.H.S. Students. Her days are spent in the gym or on an outside field teaching junior and senior girls familiar games such as volleyball and field hockey. But it is not unusual to see her standing at the gym door in-between bells greeting students with a smile. For all her determination and help, we'd like to say, "Thank you, and good luck!"

CHIEF STAFF PAYS SPECIAL TRIBUTE TO MR. TED MORGAN

Friend

Advisor

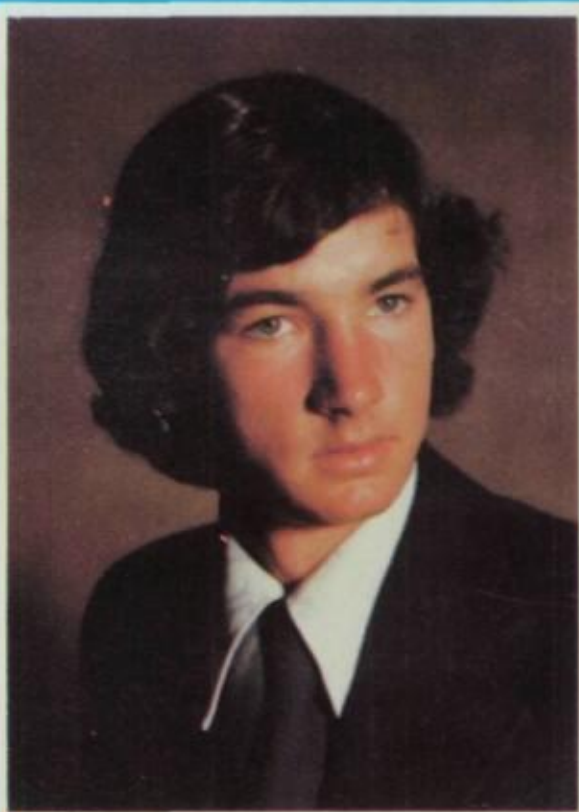

Conferee

Even though this was Mr. Morgan's last year here at MCHS, we won't say good-bye completely. We'll still look forward to seeing that warm familiar smile at school activities or just around town. Whether he's piloting a plane with his wife Juanita, or just taking life easy, we'd like to wish him a happy retirement!

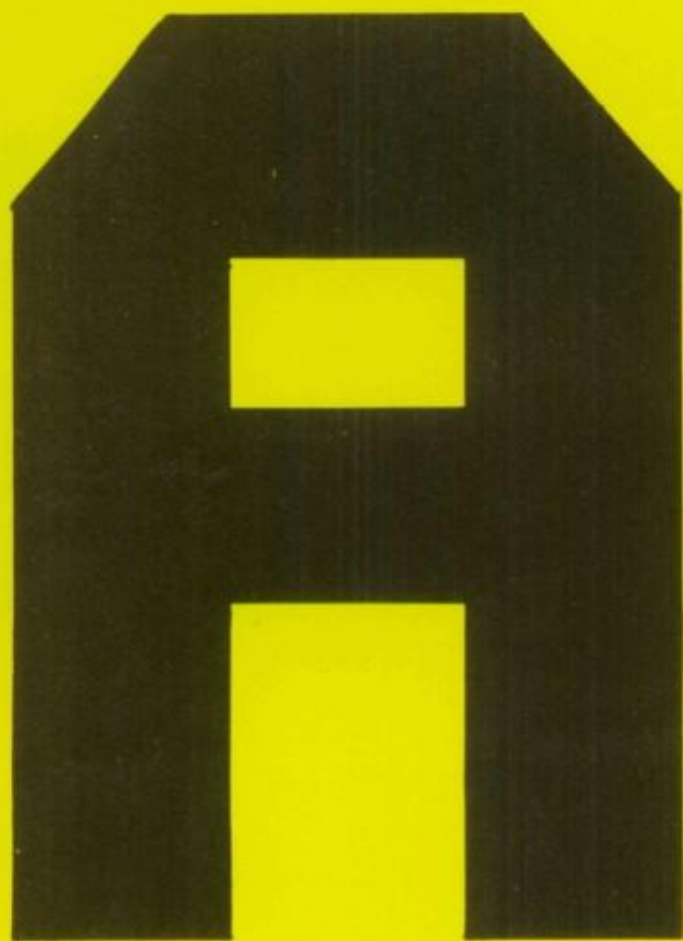

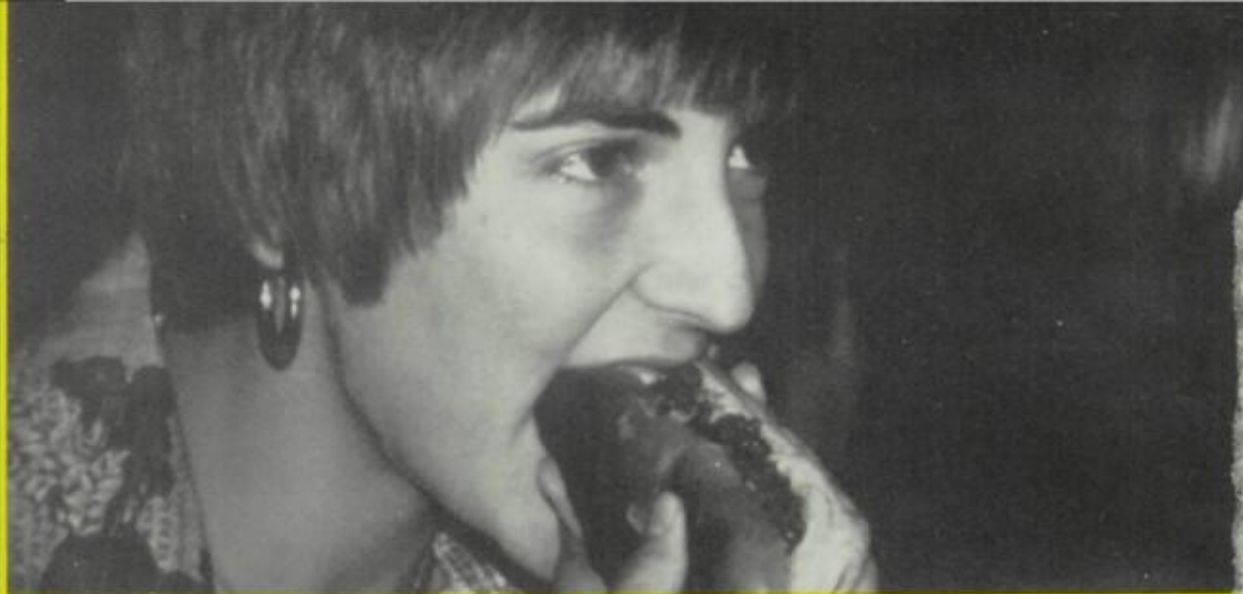

We refuse to think that Scot and Dave are really gone. No, they may not be here with us now, but they are "living" in a sense we don't understand. We know they're not too much different from the way we remember them--still the same Scot and Dave we love.

Lisa Lutz

In loving memory of our
friends

and
David Henneberry

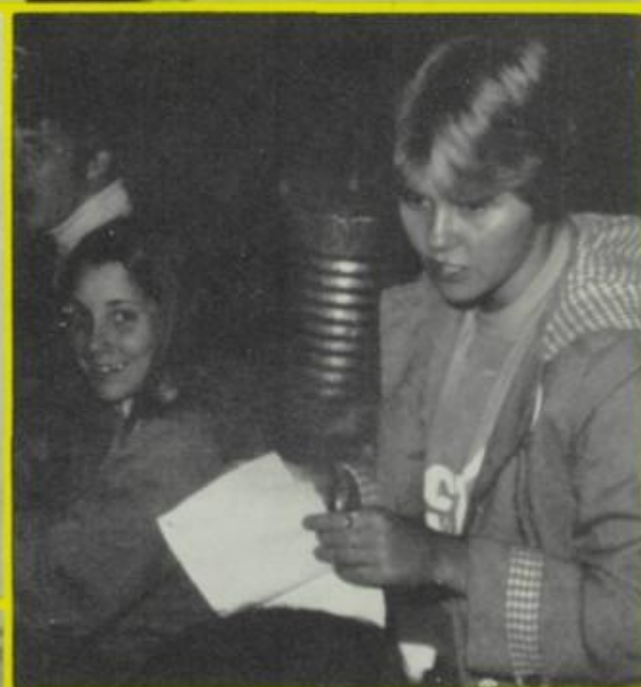

CTIVITIES

This year seems like the greatest year for school spirit in a long time. The pep assemblies have been fantastic. The classes have been yelling for the spirit stick at full force. The greatest event this year was Homecoming. The whole school was involved. We had Homecoming Week in which different events happened throughout the week. To top it all off, the football team won both games. No one can say that M.C.H.S. has no spirit.

What is life if it can't be seen?
Open your eyes, there's love serene.
The meadowlark sings his songs of praise.
While a nearby pond reflects its glaze.
A morning glory blooms its loving petals.
While a camper stirs his mush in a kettle.
The forest is protected from the light.
By the trees above, what a beautiful sight.
So what is life if your eyes are closed?
Open them up, see what is exposed.

Tomorrow I'm going to sail away
Tomorrow I'll be on the shores of
Bombay
Tomorrow will bring such happiness
and joy
Tomorrow will bring no problems
to annoy
Tomorrow I'll have lots of fun
Tomorrow I'll be lying in the sun
Tomorrow Tomorrow Tomorrow today
I must face reality and not let
life
slip
away

That pearl of light

German Club raised money from many activities: a car wipe, a cookie sale, a candy sale, a dance, and a concession stand. They went on two exciting trips—one to Davenport, Iowa, where they dined at Jumer's, an authentic German Lodge and restaurant decorated with antiques. It was an old fashioned hunting lodge. They also visited the Amana Colonies in Amana, Iowa, where they learned about the communal life of early German settlers. For their last trip, they went to The Milwaukee Folk Fair, which included ethnic food, a World Mart for shopping, and a song and dance program by the various folk groups.

Girls' basketball has scoring season

The 1977 Girls' Basketball teams started off to a good season. The highlight of the season was beating Batavia 67-4. Many of the girls from last year helped us make two strong teams. Many talented first year players make next season look promising.

Varsity Managers: A. Siron, R. Kopczick, Players: D. Lutz, W. Bradley, J. Close, B. Helgeson, C. Buberle, M. Fruland, L. Warner, M. Wenger, B. Lewis, R. Gordon.

Varsity takes charge

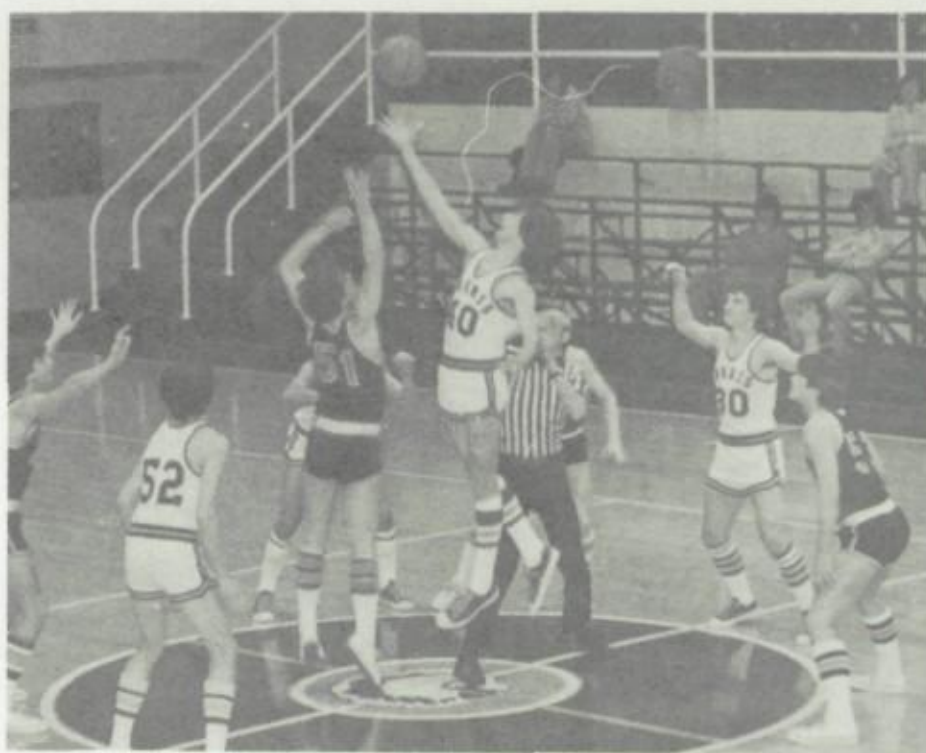

The 76-77 Varsity Cagers got off to a good start this season, but due to a lack of height and some nagging injuries to some key players, their season began to go downhill. A lack of players also contributed to this decline. Next year's team will miss out on five very talented seniors.

Front Row: A. Siron, B. O'Neill, J. Boma, B. Lear, M. Vaksdal, R. Turk, R. Black, Second Row: G. Dunn, A. Peterson, M. Riley, N. Warner, J. Allen, K. Gordon, S. Lutz, Coach Mackinson.

Sophomore skins fast break to fine season

The Sophomore Skins got off to a slow start this year, due to the slow-moving offense. Then with some minor adjustments, the Skins "fast-broke" their way to a 7-game winning streak. With some spot duty on varsity of some players, next year's varsity can look forward to experienced and hustling juniors.

Front Row: G. Redford, S. Stewart, S. Locke, S. Fraine, D. Pfaff, Second Row: R. Roberts, E. Neikirk, B. Matteson, J. Molnar, S. Sobol, M. Conrod, Third Row: Coach Grosclaude, M. Ward, E. Brady, S. Belt, J. Tabler, C. Ader, G. Vidal, Coach Steele.

J.V. looks up

The 1976-77 Junior Varsity team had a winning season, and is looking forward to next year

Top Row: Lorraine Tricarico, Jenny Hunt, Carol Skelton, Kay Scott, Margaret Sutter, Coach Skridulis.
Bottom Row: Diane Kingman, Denise Fancher, Julie Black, Mary Krzyciak, Robin Horswill.

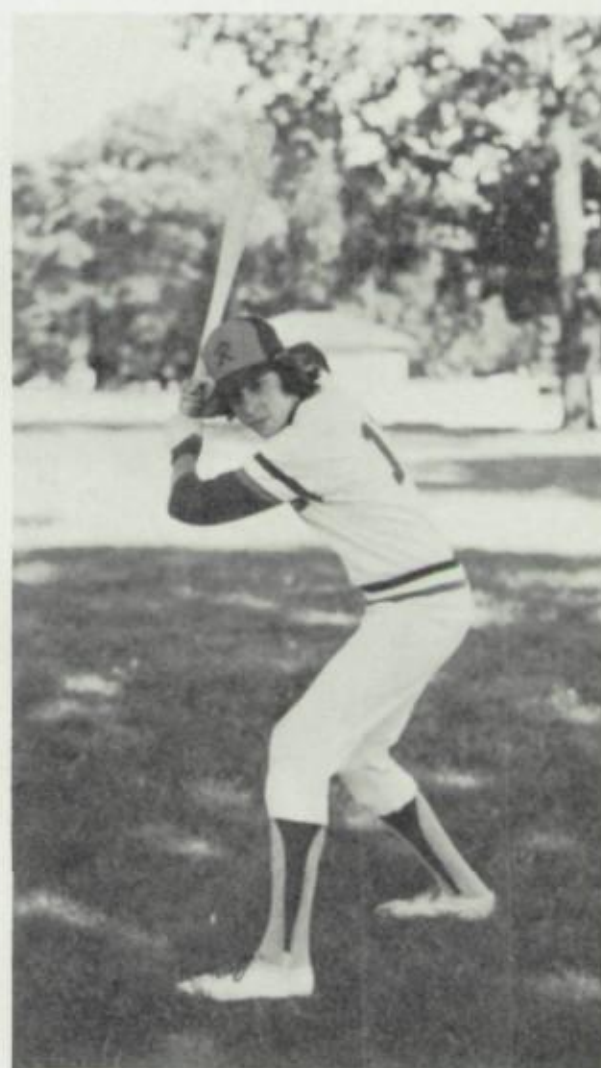

Golfers get into the swing of things

The golf team did not have a good year. Lack of experience was the biggest problem. With many good sophomore prospects, the team looks forward to future years.

Top Row: Coach Shultz, B. Prombo, R. Poole, T. Brehm, J. Fruland, G. Sullivan, G. Schaefer, T. Peterson, B. Lewis. Middle Row: J. Willeford, S. Taylor, R. Carlson, M. Wenger, T. Perry, R. Lear, R. Kopczick. Bottom Row: S. Scamen, B. Washburn, D. Stacy, K. Nolte, Martin, A. Niewinski.

Frosh look forward to future

The FRESHMAN baseball team had a disappointing season last spring with a 4-6 record. They lost three of their starters; one on a pre-season injury, the other two to the sophomore team. This was a handicap the whole season.

The team

Sophs have winning season

The Sophomore baseball team had a winning season with an 18-13 record, losing seven games by one run. The team's best effort was against Geneva. They were losing eight to one going into the last inning; they won 9-8. Kevin Gordon pitched a no-hit game against Wilmington.

UP TO US

We stand silently and gaze with anxiety upon the bridge before us. It seems like only yesterday when it was far in the distance. Through trails of love and friendship, it's finally at our reach. Now it's our turn to cross the bridge--just as others before us have done--but there's a feeling of fear in our midst, for what lies beyond is up to us.

(for, Mom!)
 To almost the
 sweetest and nicest
 persons I know! Don't
 forget coming old 6th History
 with "Papa Joe!" How boring! List
 everyone of the presidents and their
 dates in office!! — 2. — Just kiddin'!
 Also don't forget our great gym class and
 how spacy Mrs. Hume was! I think I forgot my
 gym suit more this year than ever! But, most of all,
 don't forget 2nd Hour study hall! I think we gossip
 as much as any old ladies! I wouldn't have known
 anything if it weren't for that class! I learned more
 their than History! Boy we had some juicy stuff!
 Remember singing in Spanish! Boy you guys
 were good! Remember the time you and I
 were in my car and those "gooners" followed
 us! Yuck! Good thing track is over, now you
 can party! — Oh, by the way, I want an invitation
 to your wedding, whenever! Not before next year
 though!! OK? Well I guess I wrote enough so
 I'll just say, Good Luck to you and Mom and
 Don't party too much but still have fun! Hope
 I see you this summer and If you ever
 don't have anything to do, call me
 available! Love Pam

Lu Lu - Well we've made it through track
 season & nothing could have been worse!
 It's a good thing we had each other to
 complain to or I just don't know what
 we would have done next year. I'm
 coming to watch you at state for the
 100 yd dash! ^{HA} Right!? The thing that is still
 ironic about our relationship is that
 our boyfriends are close relatives. Who
 knows, we may be close relatives someday.
 (Just kidding) Don't let Tom read that! He
 might think he's being flamed! ^{HA}! Oh see
 ya a lot this summer since we are working
 buddies. ^{if} he ever tells us
 when we were supposed to
 work! Now wouldn't that be something if
 we were all summer without being
 notified. Lu Lu, that would be just our luck!

\$ 1,212,000

According to a survey that the Chief Staff conducted at M.C.H.S. this year, \$1,212,222 was spent by students in the Morris business district--including approximately \$104,000 on gas.

Roz,

I finally found a decent place to write. Now, what to say? It seems strange that we only have one more year left in school but I love it! We've had some great times together haven't we? For once we had a lot of classes together. Remember Spanish class and how we mocked out "The Girl with the Fringe" every time she walked in the room. Then there was Chemistry class 4th hour. What a laugh.

JOHN V. HANSON

Between me and you we almost blew up the whole school. Remember how you could never fix your damn goggles and I always ended up doing it for you. Everyday we sat in there and talked about pear-head "The Fox". How about Medusa-Rerd and of course, last but not least, stretching shorts. I was always lost in there and if it wasn't for you I would have flunked. You and all your brains.

Don't forget Algebra II and ^{now} you would always space out the window. At least when they attack we'll be ready for em' huh Roz? Don't forget all the great(?) fun we had when we were junior.

ROBERT H. ADCOCK

Ra Ra's! What the froze our knobs off in those damn shorts. And then nobody would even cheer, they'd just sit and talk about how shitty we were. Remember all the practices we had to go to and right and track would always end up bitchin' about something. Like the time when we were accused of smoking and drinking before the game when none of us really did except Bob. Yeah, Roz, we've have a lot of fun together but I never get to party with ya cuz you're always with Funk! I wouldn't blame ya though. What a doll!

MATTESON TRUE VALUE HARDWARE

Sometime this summer we'll have to get together and drink a few beers and a few other things too, if ya know what I mean! Before I sign off I just want to say thanks for all your help this year but most of all thanks for being my friend. No matter what it was I knew I could always turn to you for help and you'd always be there to listen to my problem. (DENNIS). Goodluck with Funk although you don't need it. Maybe when you two are married me + Dennis can come over to visit you guys. I'm gonna miss ya when you leave for college. Love, ya,

Remember gym - definitely good exercise!

Dear,

Well I really don't know how to start this out. Since I am so dumb I'll probably be here until midnight trying to think of something to say. I really don't believe how fast four years can go by, and I've really got to say thanks for putting up with my shit for two years. These last two years have really been great and I've had the best times of my life with you, honest. Who's gonna keep an eye on you next year when I'm not there, (just kidding). I have a feeling this summer is gonna be great. and when my parents go on vacation your going to have to think of an excuse. (haha) Also you have to talk to your mom and see what she thinks about your going with me on vacation. Well what else can I say but I love you and I'm really going to miss you next year.

I love you, Adam

Don't forget
 history class. Don't
 forget it wasn't for you
 + Bern. I would never
 made it through the class.
 Thanks for all the help. Good
 luck with you. Have fun this
 summer. Try not to party too much.
 We'll have to get together sometime and
 my summer. Hope you'll need the help.

Don't forget Mr. Pink is coming to
 the band this year, and
 we had one of them last year.
 how many of them did you see?
 to helping them in some of our classes.
 Hope to see you in some of our classes.
 Hope to see you in some of our classes.

Love,
 Chris "me"

Don't -
 well, we
 survived another
 year with your
 baby. We'll get to
 take us even more
 next year. We'll gonna
 have to get together
 for sure this summer
 if I'm never not with
 Bern. I'll be with
 you, my ears still
 aren't the same from
 the wheelchair. us to
 dearies. ~~the~~ Poor
 Cousin, I don't know
 what he'll do without
 Donna giggling over
 him. You know they
 should've gone out
 they deserve each
 other.
 Love
 Mary

Don't -
 I was in your gym class + I loved it.
 It was alot better than mine now. Maybe
 if I was still in yours I wouldn't have hurt
 my leg. I hope you have a good summer
 and take care of yourself. Tell Tom I said he
 has to be nice to you or else. I'll come
 to the pool + see you if you're there this
 summer.
